

## BRAZIL & ITS NEIGHBORS MAP QUEST! (POLITICAL)

**DIRECTIONS!** → Use the maps in your book (the atlas @ the beginning...RA14 – RA15 and pg. 233) or the Internet to fill in:

- all 8 country names (you may draw lines to the smaller ones, or # them and label them on a separate page)
- all capitals (stars) and major cities (dark dots)
- the Falkland Islands (a disputed territory that currently belongs to the United Kingdom in Europe)

## BRAZIL & ITS NEIGHBORS MAP QUEST! (PHYSICAL)

**DIRECTIONS!** → Choose three different colors...then label each of the following in color:

- all major mountain ranges (there is actually only one this time!)
- all major water features (oceans, seas, rivers & lakes)
- all plateaus/highlands/basins (Brazilian Highlands, Mato Grosso, Amazon Basin, Pampas, Guiana Highlands, Gran Chaco, Patagonia, Llanos)

HINT! Check both maps to find all of the features above!

**EXTRA CREDIT!** → Label the world's highest waterfall & how much it drops (in ft. & meters)!
