Group Members: _____ Role: _____

_____ Role: _____

_____ Role: _____

_____ Role: _____

(groups will vary based on class size)

Task: To create a 3-5 minute presentation/skit about your assigned colony.

Presentation must answer/include, at minimum, the following questions:

- ✓ Where is your settlement located? (Find a map(s) for presentation)
- ✓ What push and/or pull factors influenced the development of your group's colony? (What reasons did the colonists have to go to that particular colony?)
- ✓ What type of economic/social ideals did your colony include? (Logging, farming, industry, religion, etc.)

Your presentation must:

- ✓ Include all group members in the research and presentation.
- ✓ Include several visuals such as maps, drawings, or pictures
- ✓ Be based on accurate information. (No Wikipedia)
- ✓ Include MLA citations for the website/book used. (Check Mr. Haak's website or easybib.com)

Your presentation/skit can include:

- ✓ PowerPoint
- ✓ Poster
- ✓ Trifold
- ✓ Skits/props/costumes

Important Note: Be prepared to evaluate other groups' presentations and answer questions about your settlement following your presentation!
