

SOUTH ASIA MAP QUEST! (POLITICAL)

DIRECTIONS! → Use the maps in your book (the atlas @ the beginning...RA22 – RA25, pgs. 462-463, and pg. 479) or the Internet to fill in:

- all 7 country names (you may draw lines to the smaller ones, or # them and label them on a separate page)
- all capitals (mark with a star, please)
- Andaman & Nicobar Islands (each is part of India)
- Kashmir (a disputed area)
- Tibet (not a country...another disputed area)

SOUTH ASIA MAP QUEST! (PHYSICAL)

DIRECTIONS! → Choose three different colors...then label each of the following in color:

- all major mountain ranges (*Karakoram, Hindu Kush, Himalayas, both "Ghats," Satpura Range*)
- all major water features (*oceans, seas, rivers & lakes*)
- all plateaus (*Dekkan, Tibet*)
- all deserts (*there is actually only one this time!*)

HINT! Check all the maps to find all of the features above!

EXTRA CREDIT! → Label the two highest mountains in the world & their height (in ft. & meters)!
